#### 6. Institutional set-up for liquidity risk management

The Board of Directors of the Company has an overall responsibility and oversight for the management of all the risks, including liquidity risk, to which the Company is exposed to in the course of conducting its business. The Board of Directors approves constitution of Asset Liability Committee (ALCO), which functions as the strategic decision-making body for the asset-liability management of the Company from risk-return perspective and within the risk appetite approved by the Board. The main objective of ALCO is to assist the Board in effective discharge of the responsibilities of asset liability management. ALCO provides guidance and directions in terms of interest rate, liquidity, funding sources, and investment of surplus funds. ALCO meetings are held once in every quarter or more frequently as warranted from time to time. The minutes of ALCO meetings are placed before the Board of Directors in its next meeting for its perusal/ approval/ ratification.
